

My name is Steven Czop, I run the Czop Law Firm, PLLC, and my goal is to satisfy every client that I represent.

I would like the opportunity to meet you for a free consultation in the areas in which I practice law: divorce - child custody, estate planning - probate, and juvenile law.

First, I will personally meet with you, not an associate or a paralegal. I will meet you at a time that is convenient for you, even if it means lunch time, later in the evening, or on a Saturday. I will listen to your concerns, I will answer your questions, and I will give you realistic expectations.

I will discuss with you the cost of my services. My fees are very competitive and I will explain how I can try to keep the costs of your matter to a minimum while still providing you with excellent service.

If your case turns into a contested matter, I will prepare to win like I was taught when I prosecuted felony cases for the State of Arizona. I gather information relevant to the case, personally call or meet each of our witnesses, and meet with you before the hearing.

Please call my office to set up an appointment to learn more about how I can assist you.
